Join the Brownfield Communities Network and the National Brownfields Coalition for a networking breakfast and roundtable discussion of congressional issues at the National Brownfields Conference in Philadelphia, PA.

THE BROWNFIELD COMMUNITIES NETWORK is a national network of local communities working to demonstrate how the cleanup and reuse of contaminated property can be an effective tool for community revitalization.

THE NATIONAL BROWNFIELDS COALITION is a group of seventy national, state, local, non-profit, and private organizations that have come together to promote congressional policies to stimulate brownfields redevelopment as central to federal policies to generate jobs, promote community revitalization, and advance sustainable development.

WHY YOU SHOULD ATTEND:

The session will feature both networking opportunities and a roundtable discussion of congressional issues with policy experts:

- **BEST NETWORKING OPPORTUNITY AT THE CONFERENCE** combining practitioners and policy-wonks.
- **HEAR THE LATEST ON CONGRESSIONAL ISSUES** vital to the brownfields industry. Will there be a Congressional Brownfields Caucus? How will the budget battles affect brownfields? Is Brownfields Reauthorization ripe for a rare bi-partisan approach?
- **FOOD!** A continental breakfast will be served.
